South Korean pop star PSY released the hit single "Gangnam Style" and in less than six months the song's music video became the most-watched viral video of all time with more than a billion views on YouTube. In the process, PSY became famous worldwide.

So what happens when a superhero movie combines Iron Man, Captain America, Thor and the Incredible Hulk? You get "The Avengers" and you get the biggest opening weekend in American box office history plus the movie and DVD hit of the year.

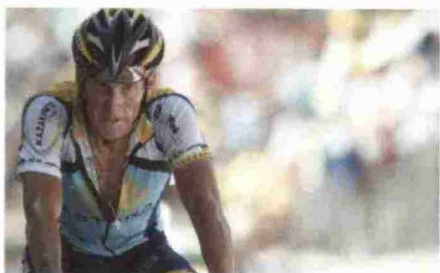

On Oct. 14, Felix Baumgartner set new world records by sky diving roughly 24 miles above the Earth's surface and reaching a speed of 834 miles per hour during his fall. Baumgartner jumped from a helium balloon flight and successfully landed in New Mexico.

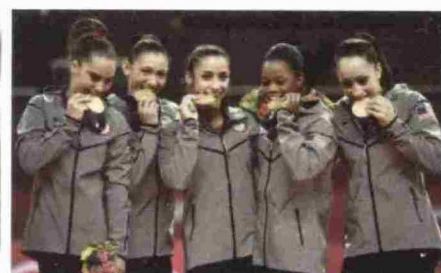

# RETROSPECTIVE

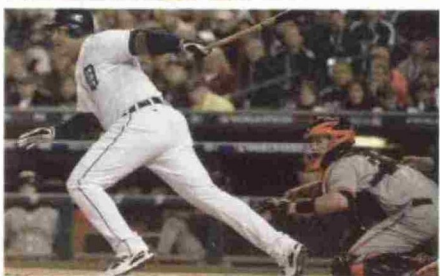

**Top Left:** Lance Armstrong, the American cyclist who famously won the Tour de France seven times while also overcoming cancer, was charged with using performance-enhancing drugs by the U.S. Anti-Doping Agency. Armstrong was stripped of his titles and banned from cycling for life. Armstrong later confessed to using the banned substances during a national TV interview with talk show host Oprah Winfrey.

**Top Right:** At the Summer Olympics in London, the U.S. won Gold for only the second time ever in the women's gymnastics team event. McKayla Maroney, Kyla Ross, Aly Raisman, Gabby Douglas and Jordyn Wieber became known as the "Fierce Five."

**Bottom Left:** For the first time in 45 years, a baseball player won the batting Triple Crown when Detroit's Miguel Cabrera led the A.L. in batting average, home runs and RBI. Cabrera's Tigers made it to the World Series before losing to the San Francisco Giants in four games.

**Bottom Right:** Facing a self-imposed Jan. 1 deadline of forced, wide-ranging tax increases and spending cuts known as the "fiscal cliff," Congress passed the American Taxpayer Relief Act of 2012. The act extended the Bush-era tax cuts but raised other taxes, including the Social Security part of the payroll tax. Passage of the act averted a recession then, and Congress continued its work by preparing to discuss spending cuts.

President Barack Obama, a Democrat, won re-election with 62.6 million votes – 51% of the popular vote and 332 electoral votes – over his opponent, former Massachusetts Gov. Mitt Romney. Key battleground states, such as Ohio and Florida, went for Obama, as did a majority of women and minority voters. Republicans retained control of the House of Representatives, while the Democrats kept control of the Senate.

**Top:** Hurricane Sandy blasted the East Coast Oct. 29, killing more than 120 people from the Caribbean to New England. New York City and New Jersey were especially hard hit, leaving millions of residents without power and in short supply of food and gas for weeks. Damage estimates were put at \$42 billion for New York state and \$30 billion for New Jersey. The super storm, 820 miles in diameter, even created surfing conditions on Lake Michigan at Chicago.

## ***Brickie students show their School Spirit***

Whether it was dressing up during spirit week or being part of the student section at the football games, Hobart High School students knew how to show their school spirit. Even teachers found ways to show their Brickie spirit.

This year, the student section had a Facebook page that told students what to wear to the football games on Friday nights. The unity and spirit was definitely noticed by all.

"I was impressed with the effort the students put into the themes and communicating the themes to other students. By far, this was one of the best years for our student section," said Mrs. Colleen Newell, English department.

# ***Senior Activities***

During their last year at Hobart High School, seniors enjoy activities and recognition as they prepare to embark on whatever the future may hold for them. Some of the favorite activities that seniors participate in are the annual junior-senior Powder Puff game, Homecoming, pep sessions, Winter Formal, Prom, and Graduation.

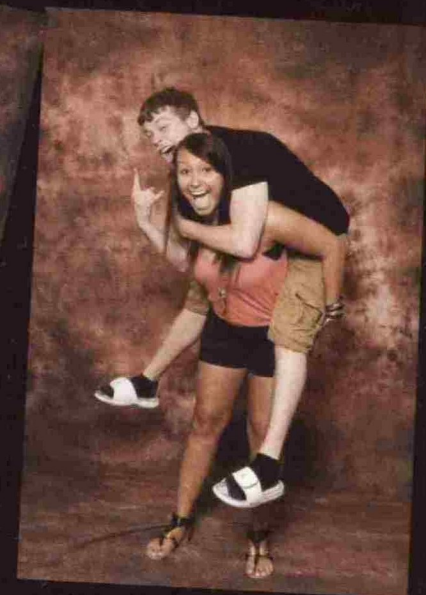

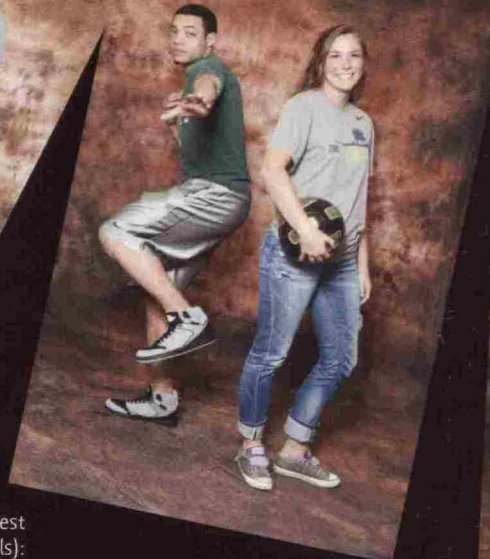

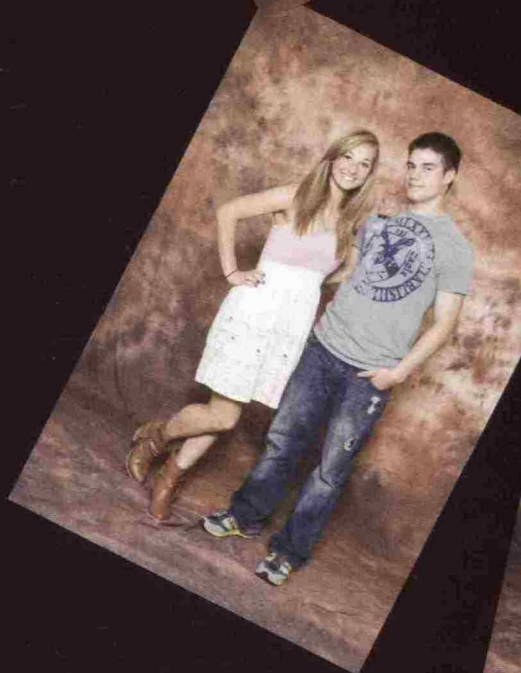

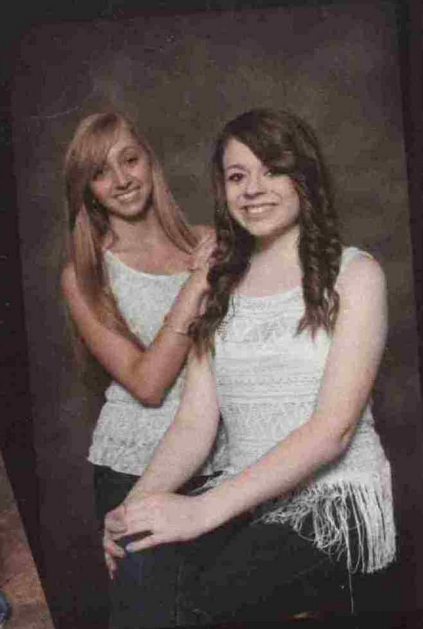

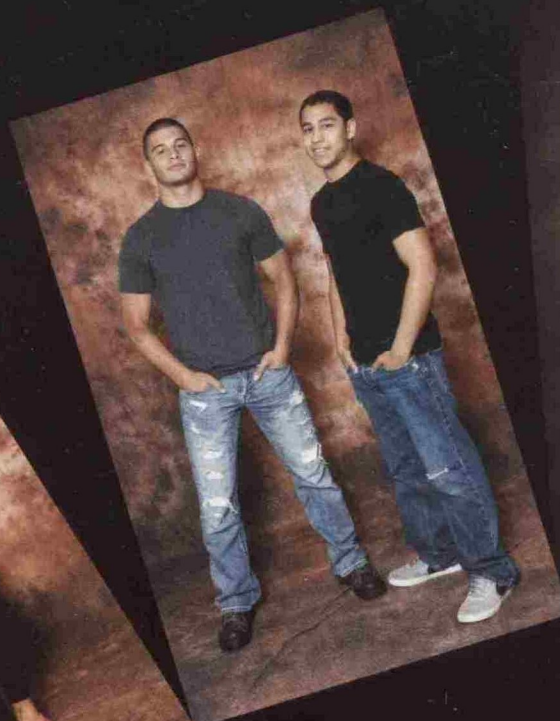

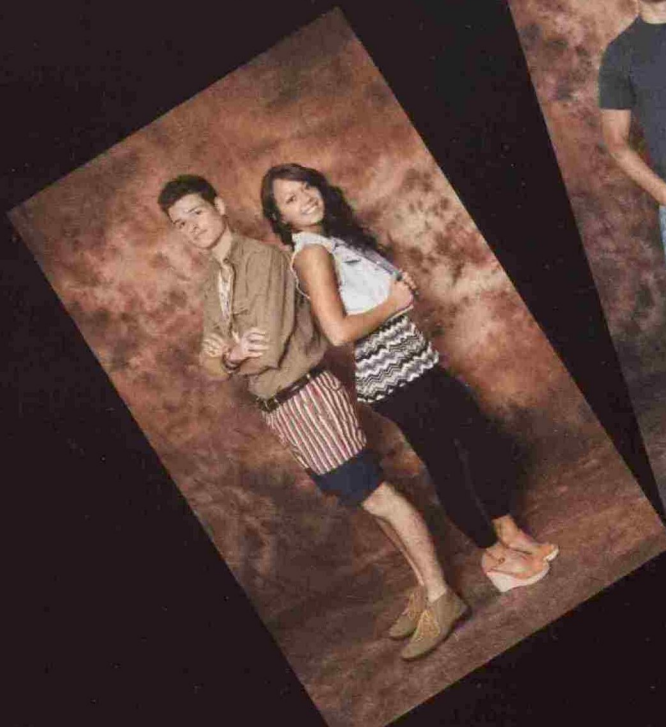

During the month of May, seniors enjoy a "privilege week" where they are able to enjoy some rewards of being the "top dogs" at HHS. They enjoy a senior picnic, early dismissal from classes, and a sundae. These are just a few ways the faculty at HHS helps to celebrate the culmination of high school for these lucky upperclassmen.

Senior Dakota Baimakovich accepts her diploma at graduation.

# Music

The music program at Hobart High School is definitely something to experience. Hobart High school offers guitar classes, concert band, and advanced and intermediate choir. In the guitar classes students learn the basics of guitar. During band concerts students play their instruments and experience what its like to play in front of an attentive audience. For choir performances, the singers are able to shine and give their audience goose bumps with the beauty of their voices. Hobart Highs School's music department never falls short of a 5 star performance, great job everyone!

# Kimberly

You are such a wonderful part of our family. We are very blessed. We have watched you grow into a beautiful young woman that we are so very proud of. Always be true to yourself and others. Be kind. Remember where you came from and know how much you are loved. Dream Big!

P.S. I told you, you could run! All the way to State!

Love  
always,  
Mom,  
Dad,  
Larry  
and  
Christy
